Submitted to His Highness.

34 Article 307 of the Mysore Service Regulations lays down that in cases of applications for invalid pension, incapacity for service must be established by a medical certificate attested by the District Medical Officer not below the rank of an Assistant Surgeon, but no provision exists for medical certificates to be obtained in the case of female applicants for invalid pension.

35 A case of this kind recently came up before Government in regard to the application for an invalid pension on behalf of one Chanda Be, Assistant Mistress, Government Hindi Girls' School, Bangalore, in which a medical certificate granted by the Surgeon in charge of the Maternity was accepted as sufficient, though technically illegal, and the question of amending the Mysore Service Regulations so as to provide for the examination of females by Lady Doctors, was reserved for separate consideration.

Draft for approval" — 36 I now submit the accompanying draft of an agenda and corrigenda to Article 307 of the Mysore Service Regulations inserting as a note that the medical

certificate of incapacity for service in the case of a female applicant for invalid pension may be granted by the Lady Doctor in charge of the Maternity Hospital at Bangalore or of the Maharani's Hospital at Mysore.

Page 8 of notes - 37. Both the Councillors and the Financial Secretary are agreeable to the proposed amendment which may be sanctioned.
